

FOR IMMEDIATE RELEASE:

**Dr. Hassan Bodaghi joins DelStar Technologies, Inc.**

MIDDLETOWN, DE (April 14, 2009) – DelStar Technologies, Inc. announced today that Dr. Hassan Bodaghi has joined their executive team as Vice President of New Business Development, reporting directly to Mark Abrahams, CEO.

Dr. Hassan Bodaghi received his Ph.D. in Polymer Engineering from the University of Tennessee and has over 25 years of experience in Corporate Research & Technology, as well as business development. As a visionary and holder of over 20 patents, Dr. Bodaghi will focus on accelerating DelStar’s new business growth through product and technology innovations.

Prior to joining DelStar Technologies, Hassan held executive leadership positions with some of the world’s top nonwovens companies, including Nordson Corporation (Director of Business Development), First Quality Company (Director of Research and Development), and Kleinewefers Textile Machinery (Vice President of Sales). He also has 10 years of experience with product development and material sciences from 3M Corporation.

DelStar Technologies, Inc., headquartered in Middletown, DE, has manufacturing operations at that location, as well as in Austin, TX; Richland, PA; El Cajon, CA; and Suzhou, China. DelStar Technologies also has international sales offices in Bristol, England and Shanghai, China.
